The contract is an individual flexible premium adjustable benefit contract with a Death Benefit Guarantee (no lapse guarantee). The contract will remain in force as long as the net premiums paid equal or exceed the sum of the death benefit guarantee premiums from the certificate date.

The minimum death benefit is \$25,000.

Application 2010 LF APP and 2010 LF APP2 (Part II) will be used with this certificate as well as other individual term, whole life, and universal life products which the Company may file in the future.

All three riders are optional. The Waiver of Premiums Rider waives the Death Benefit Guarantee Premium in the event of disability. The Children's Term Rider pays a death benefit if a covered child dies while the rider is in force. The Additional Insured Convertible 20 Year Term Insurance Rider pays a death benefit if the Additional Insured dies while this rider is in force.

The contract is sex distinct. It will not be issued in any employer-employee situation subject to the Norris decision and/or Title VII of the Civil Rights Act of 1964.

These are new forms and will not replace any previously approved forms.

To the best of our knowledge, this filing is complete and intended to comply with the insurance laws of your jurisdiction.

## Amendment Letter

Submitted Date: 06/14/2010

### Comments:

Subsequent to filing contract 2010 UL FLX AR, Catholic Knights (the Society), noticed some errors and clarifications they would like to make to this contract. Therefore, we are asking that you please substitute the contract filed in the initial filing with this amended contract.

The changes made are described below.

1. On page 3, the Dividends and Beneficiary provisions were moved from before the Schedule of Benefits and Premiums schedule to the lower 1/3 of the page. There were no changes to the text. This change allows the contract to be consistent with other Catholic Knights contracts.
2. The Society expanded the definition of Contract Maturity Date on page 6.
3. The Society revised the Premium In Default and Grace Period provision on page 10 to remove previous language that indicated the premium must be received before the end of the grace period.

If you need any further information or have any questions, please call toll-free 1-800-927-2730. Thank you for your assistance.

### **3.1     The Life Insurance Contract**

Your life insurance contract ("Contract") consists of this Certificate, including all supplemental changes, endorsements and riders to this Certificate, the Applications, and the Constitution ("Articles of Incorporation") and Bylaws of Catholic Knights. Any changes, additions or amendments to the Constitution or Bylaws of Catholic Knights duly made or enacted subsequent to the issuance of this Certificate shall bind the owner and the beneficiaries and shall govern and control the Contract in all respects the same as if the changes, additions or amendments had been made prior to and were in force at the time of the Applications for membership and insurance, except that no change, addition or amendment shall destroy or diminish benefits which Catholic Knights contracted to give the owner as of the Certificate Date.

If you cease to be a member of Catholic Knights for any reason except for non-payment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, you may maintain the Contract in force by continuing payment of the required premium. No provision of Catholic Knights' Constitution or Bylaws provides for the termination of coverage under this Contract.

We assume that all statements made in the Applications were made to the best of the knowledge and belief of the person who made them; in the absence of fraud they are deemed to be representations not warranties. We relied on those statements when we issued the Certificate. We will not use any statement, unless made in the Applications, to void this Contract or to deny a claim.

No change in this Certificate is valid unless it has been approved by the insurance supervisory official of the state in which this Contract is delivered and by an officer of Catholic Knights. No agent or financial services representative has authority to change this Certificate or to waive any of its provisions.

### **3.2     Incontestability**

This Contract will not be contested by us after it has been in force during the lifetime of the Insured for two (2) years from the Certificate Date except for (a) non-payment of premium, and (b) fraud in the procurement of this Contract when permitted by applicable law in the state where this contract is delivered or issued for delivery. This provision will apply from the date this Contract is reinstated with regard to statements made in the application for reinstatement.

If an increase in the face amount required proof of insurability, Catholic Knights will not contest the validity of the increase after it has been in effect for two (2) years from the date of increase provided the Insured has not died during that time.

### **3.3     Suicide**

If the Insured dies by suicide, whether sane or insane, within two (2) years from the Certificate Date, we will pay no more than the sum of the premiums paid without interest less any Indebtedness, less any dividends paid, and less any partial withdrawals.

If the Insured dies by suicide, whether sane or insane, within two (2) years from the date of a rider addition or an increase in the Face Amount that increases the Insurance Proceeds payable, the amount of the rider addition or increase in Death Benefit will not be paid. Catholic Knights will refund the Cost of Insurance deductions attributable to the addition or increase.

### **3.4     Misstatement of Age or Sex**

If the age or sex of the Insured has been misstated, the current face amount and every other benefit payable will be the amount which the most recent Cost of Insurance Rate would have purchased.

### **3.5 Maintenance of Legal Reserves**

If for any reason our reserves as to all or any class of policies become impaired, Catholic Knights' Board of Directors or a corresponding body may require that there shall be paid by the owner to us the amount of the owner's equitable portion of such deficiency.

If the payment is not made it shall stand as an Indebtedness against the Contract and draw interest at the rate of interest set by us for loans in accordance with Section 12.2. In lieu thereof or in combination therewith, the owner may consent to an equivalent reduction in benefits.

The foregoing provisions of this Section 3.5 correspond in substance to a section of the Catholic Knights Bylaws. No other provision of Catholic Knights' Constitution or Bylaws provides for any reduction of benefits under this Contract.

### **3.6 Annual Report**

At least once each year we will send a report, without charge, to the owner which shows current information as of a date not more than four months prior to the date of mailing. This information includes the following:

- 1) The beginning and end dates of the current report period.
- 2) The Account Value at the end of the current report period;
- 3) The amounts (identified by type) that have been credited or debited during the current report period;
- 4) The loan balance, if any, at the end of the current period;
- 5) The death benefit at the end of the current period; and
- 6) The Cash Surrender Value, if any, at the end of the current report period.

If assuming guaranteed interest, mortality and expense loads, and continued scheduled premiums, the contract would terminate due to excess indebtedness, a notice to this effect will be included in the report.

### **3.7 Illustration**

Upon your written request, we will provide one illustration of future death benefits and surrender value in any contract year. The illustration will be based on necessary assumptions specified by us and/or you. Additional illustrations are available upon your written request for a fee not to exceed \$25.00.

### **3.8 Forms and Procedures**

We may require the owner to follow our procedures and to use our forms to take any action, such as changing a beneficiary or requesting a payment. We may require the owner to submit this certificate for endorsement to show any change. The owner may obtain any information and forms from an authorized agent or the home office.

## **SECTION 4 OWNERSHIP**

### **4.1 The Owner**

The owner is named on page 3. All Contract rights may be exercised by you or your successor or transferee, without the consent of any beneficiary designated unless the beneficiary has been made irrevocable. These rights may be exercised only during the lifetime of the Insured and thereafter to the extent permitted by Section 15.

## **4.2 Transfer of Ownership**

You may transfer the ownership of this Contract. Written evidence of transfer satisfactory to us must be received at our Home Office. The transfer will then be effective as of the date it was signed by you, subject to any payments made or actions taken by us prior to receipt of this transfer.

## **4.3 Collateral Assignment**

You may assign this Contract as collateral security. We assume no responsibility for the validity or effect of any collateral assignment of this Contract. We will not be responsible to an assignee for any payment or other action taken by us before receipt of the assignment in writing at our Home Office.

The interest of any beneficiary will be subject to any collateral assignment made either before or after the beneficiary designation. The rights of an assignee may not come before the rights of an irrevocable beneficiary that is designated prior to the assignment.

You must give us notice of an assignment. An assignment, unless otherwise specified by the owner, will be effective on the date signed, subject to any payments made or actions taken by us prior to receipt of such notice.

A collateral assignee is not an owner. A collateral assignment is not a transfer of ownership. Ownership can be transferred only by complying with Section 4.2

## **4.4 Successor Owner**

The contract owner may designate a successor owner to assume the responsibilities and duties of the contract owner in the event of the death of the contract owner. The successor owner may be an individual, at least 18 years of age, or a corporation, partnership, trust or other entity. The successor owner has no rights in regard to the contract and cannot direct any changes, conversion, transfers or cancellations, except in the event of the death of the contract owner. The contract owner may change the designation of the successor owner at any time.

# **SECTION 5 PREMIUMS AND REINSTATEMENTS**

## **5.1 Premium Payments**

The amount of the Planned Premium and its interval of payment are shown on the Contract Specifications page. The initial premium is due on or before the Certificate Date. Premiums received before the Certificate Date are applied on the Certificate Date. All premiums are payable at our Home Office or to any Catholic Knights financial services representative.

Premiums may be paid at any time before the Contract Maturity Date. You may pay more or less than the Planned Premium, but each premium that is not paid electronically must be at least \$25. However, except as provided in Section 8, to continue the Contract in force on each Monthly Anniversary the Net Account Value must be sufficient to cover the Total Monthly Deduction.

We reserve the right to not accept premiums, or a portion of a premium, if after the premium is applied the Base Amount of Insurance will be the Minimum Death Benefit as described in Section 6.2 and 6.3. Acceptance of premiums in this case is subject to our issue and underwriting requirements.

## **5.2 Premium Billing**

We will send premium billings based on the amount and interval of premium payments you request. You may change the amount and, subject to our administrative rules, the interval or method of billing by giving Written Notice.

### **5.3 Premium in Default and Grace Period**

Except as described under Section 8, Death Benefit Guarantee, a premium is in default on a Monthly Anniversary if the Monthly Deduction to be made on that day would result in a Net Account Value less than zero. Notice of the premium required for the grace period and to keep this Contract in force for three months will be mailed to you and any assignee of record, at the address last known to us. You will have a grace period of 61 days after the date of notice during which the Contract will remain in force. We will deduct any Monthly Deduction not made while the premium was in default. This Contract will terminate without value at the end of the grace period. Any premium payment sent by U.S. mail must be postmarked before the expiration of the grace period.

### **5.4 Reinstatement**

This Contract may be reinstated within three (3) years after the end of the grace period unless it has been surrendered. Following the end of the grace period, to reinstate we require:

- 1) Evidence of insurability which meets our standards;
- 2) Payment of a premium sufficient to cover the Monthly Deductions that were not made during the grace period;
- 3) Payment of a premium sufficient to keep this contract in force for at least one (1) month; and
- 4) Repayment or reinstatement of all Indebtedness existing at the end of the grace period.

If all of the above requirements are met and we approve the application for reinstatement, reinstatement will be effective on the Monthly Deduction Date immediately preceding the date of our approval. If a Surrender Charge was applicable at the end of the grace period, we will issue a new Schedule of Charges restating the surrender charges. The new Schedule of Surrender Charges will not include the time between the end of the grace period and the date of reinstatement. There will be no Monthly Deductions or loan interest charged from the date of lapse to the date of reinstatement. Upon reinstatement, the Account Value is the Account Value on the date of lapse plus the Net Premiums received minus the Monthly Deductions that were not made during the Grace Period minus the Monthly Deduction on the reinstatement date.

The Death Benefit Guarantee cannot be reinstated under this provision.

### **5.5 Continuation of Insurance Coverage**

This Contract will remain in force until the first of the following events to occur:

- 1) The date of death of the Insured.
- 2) The end of the grace period if the premium required to keep this Contract in force has not been received at our Home Office.
- 3) The date you surrender this Contract.
- 4) The Contract Maturity Date shown on the Contract Specifications page.

Any dividend accumulations and the cash value of any paid-up dividend additions shall be paid to the owner upon termination of the contract.

## **SECTION 6 INSURANCE PROCEEDS**

When the Insured dies, an amount of money called the Insurance Proceeds, will be payable to the beneficiary. The Insurance Proceeds are described in this section.

### **6.1 Current Face Amount**

The Initial Face Amount of Insurance is shown on page 3. You may increase or decrease the Initial Face Amount of Insurance as described in Section 7. The Current Face Amount on any date is the

Initial Face Amount of Insurance plus any face amount increases and minus any face amount decreases on or prior to that date.

## **6.2 Minimum Death Benefit**

This Contract is intended to qualify as a "life insurance contract" under Section 7702 of the Internal Revenue Code by providing a Minimum Death Benefit in compliance with the Cash Value Accumulation Test. The Minimum Death Benefit on any date is the amount of paid-up whole life insurance that would be purchased by the Account Value as a net single premium at the Insured's sex and Attained Age using the mortality and interest rates described in Section 9.4. If, at any time, a different method or basis which provides a higher Minimum Death Benefit is needed to satisfy the Cash Value Accumulation Test, the Minimum Death Benefit will be calculated on that method or basis. We reserve the right to make any reasonable adjustments to the terms or conditions of this policy if it becomes necessary to allow it to qualify as life insurance. A change in Death Benefit Option or Current Face Amount, or certain other policy changes, will often change the policy's limits under the Cash Value Accumulation Test. We reserve the right to refuse or limit any request for a change if the change would cause the policy to fail to qualify as life insurance for tax purposes.

This provision should not be construed to guarantee that this policy will receive tax treatment as life insurance or that the tax treatment of life insurance will never be changed by the future actions of any tax authority.

## **6.3 Death Benefit Options**

The Death Benefit Option in effect as of the Certificate Date is shown on the Contract Specifications page and may be subsequently changed by you in accordance with Section 7.3. There are two death benefit options:

Option 1 - The Base Amount of Insurance will be the greater of:

- 1) the Current Face Amount; and
- 2) the Minimum Death Benefit.

Option 2 - The Base Amount of Insurance will be the greater of:

- 1) the Current Face Amount plus the Account Value, and
- 2) the Minimum Death Benefit.

## **6.4 Insurance Proceeds Calculation**

The Insurance Proceeds are:

- 1) The Base Amount of Insurance from the death benefit option in effect on the date of death  
PLUS
- 2) Any insurance on the Insured's life which may be provided by riders to this Contract  
PLUS
- 3) Any insurance bought with dividends  
MINUS
- 4) Any Indebtedness.

Within a reasonable period (not longer than two months) after we have received due proof of the Insured's death and of the claimant's right to payment, we will pay the Insurance Proceeds in one lump sum unless one or more of the payout plans described in Section 15 is selected. We will pay interest on the proceeds from the date of death to the date of settlement at the rate paid on the date of death on funds left on deposit with us.

Additional interest, at a rate of 8%, will be paid if the Insurance Proceeds are not paid within 30 calendar days from the latest of (1) our receipt of due proof of the Insured's death, (2) our receipt of

sufficient information to determine the extent of liability and payee, and (3) removal of any legal impediments to payment of proceeds that were depended upon parties other than us. Due proof of the Insured's death will consist of a certified copy of the Insured's death certificate, or other lawful evidence providing equivalent information and proof of the claimant's interest in the proceeds.

## **SECTION 7 CHANGES IN FACE AMOUNT AND DEATH BENEFIT OPTION**

### **7.1 Increase In Face Amount**

After the Contract has been in force for one (1) Contract Year, you may increase the Face Amount any time before the Contract Anniversary on or next following the Insured's 85th birthday. The increase is subject to the following:

- 1) Only one (1) increase is allowed in each Contract Year.
- 2) You must make written application to us at our Home Office.
- 3) You must give us evidence of insurability which meets our standards.
- 4) The increase must be at least \$25,000.
- 5) The effective date of the increase will be the date shown on the supplemental contract schedule that we will mail to you.
- 6) The Cost of Insurance for the increase will be included in the Monthly Deduction beginning on the effective date of the increase.
- 7) The Net Account Value must be sufficient to cover the Monthly Deduction on the effective date of the increase.
- 8) A new schedule of Surrender Charges will apply to the increase in Face Amount. The new Surrender Charges will be based upon the same basis as used to determine the Surrender Charges at issue. We will provide the owner a copy of the new Surrender Charges before any increase is issued.
- 9) A new Total Death Benefit Guarantee Premium will be determined if the Death Benefit Guarantee is in effect on the effective date of the increase.

### **7.2 Decrease In Face Amount**

After the Contract has been in force for one (1) Contract Year, you may decrease the face amount at any time before the Contract Maturity Date. The decrease is subject to the following:

- 1) Only one decrease is allowed in each Contract Year
- 2) You must give Written Notice.
- 3) The decrease must be at least \$10,000
- 4) The decrease will be applied, in successive order, against:
  - a. The most recent increase in Face Amount;
  - b. The next most recent increase(s); then
  - c. The Initial Face Amount.
- 5) The decrease will not reduce the Surrender Charge.
- 6) The Face Amount after the decrease must not be less than the Minimum Face Amount shown on the Contract Specifications page.

- 7) A new Total Death Benefit Guarantee Premium will be determined if the Death Benefit Guarantee is in effect on the effective date of the decrease.
- 8) The effective date of the decrease will be the Monthly Anniversary on or next after the date we receive Written Notice. That date will be shown on the supplemental contract schedule that we will mail to you.

### **7.3 Changes of Death Benefit Option**

After the Contract has been in force for one (1) Contract Year, you may change the death benefit option at any time before the Contract Anniversary on or next following the Insured's 85<sup>th</sup> birthday. The change is subject to the following:

- 1) Only one (1) Death Benefit Option change is allowed in any Contract Year.
- 2) You must give Written Notice.
- 3) If you change from Option 1 to Option 2, the Face Amount will be decreased by the Account Value on the effective date of the change. The decrease in Face Amount will be applied in the order specified in Section 7.2. However, this change may not be made if it would reduce the Face Amount to less than the Minimum Face Amount shown on the Contract Specifications page.
- 4) If you change from Option 2 to Option 1, the Face Amount will be increased by the Account Value on the effective date of the change. A new schedule of Surrender Charges will apply to the increase in Face Amount.
- 5) A new Total Death Benefit Guarantee Premium will be determined if the Death Benefit Guarantee is in effect on the effective date of the change.
- 6) The effective date of the change will be the Monthly Anniversary on or next after the date we receive Written Notice. The new Death Benefit Option will be shown on the supplemental contract schedule that we will mail to you.

## **SECTION 8 DEATH BENEFIT GUARANTEE**

### **8.1 Death Benefit Guarantee**

This Contract will continue in force and no premium will be in default on a Monthly Anniversary even if the Monthly Deduction to be made that day would result in a Net Account Value that is less than zero; provided that you pay sufficient premiums to meet the Death Benefit Guarantee Requirements and the Death Benefit Guarantee has not terminated.

If this Contract continues in force under the Death Benefit Guarantee as described above, then if the Monthly Deduction on a Monthly Anniversary exceeds the Net Account Value, no deduction will be made and the Monthly Deduction will be postponed until the next Monthly Anniversary on which the Net Account Value exceeds the amount of the postponed Monthly Deduction. Postponed Monthly Deductions will be made in order, starting with the first postponed deduction. The Total Death Benefit Guarantee Premium is shown on the Contract Specifications page.

### **8.2 Death Benefit Guarantee Requirements**

On any Monthly Anniversary, the requirements for the Death Benefit Guarantee are met if (1) is equal to or greater than (2) where:

- 1) Is the sum of:
  - a) Premiums paid; and
  - b) Any premiums credited to this Contract under a Waiver of Premium Rider;

Less the sum of:

- c) Any partial withdrawals; and
  - d) Any Indebtedness.
- 2) Is the sum of the Total Death Benefit Guarantee Premiums from the Certificate Date through that Monthly Anniversary.

### **8.3 Death Benefit Guarantee Premiums**

Death Benefit Guarantee Premiums and the Total Death Benefit Guarantee Premium on the Certificate Date are shown on the Contract Specifications page. If the Death Benefit Guarantee has not terminated, then a new Total Death Benefit Guarantee Premium will be determined whenever:

- 1) The Death Benefit Option is changed;
- 2) The Face Amount is increased or decreased;
- 3) The Insurance Class is changed; or
- 4) Additional Benefits are increased, decreased, added to this Contract or terminated.

The new Total Death Benefit Guarantee Premium will be shown on the supplemental contract schedule that we will mail to you.

### **8.4 Termination of Death Benefit Guarantee**

The Death Benefit Guarantee may terminate if the requirements for the Death Benefit Guarantee are not met. The Death Benefit Guarantee terminates on the Certificate Date if the initial premium paid is less than the Total Death Benefit Guarantee Premium. On the first Monthly Anniversary on which the requirements for the Death Benefit Guarantee are not met, we will mail to you at the address last known to us a notice of the premium needed. You will have a grace period of 61 days after the date of notice during which the Death Benefit Guarantee will remain in force. If the required premium is not received at our Home Office within the grace period, the Death Benefit Guarantee will terminate as of the Monthly Anniversary on which the requirements for the Death Benefit Guarantee were not met.

If the Death Benefit Guarantee has terminated, the Contract will remain in force subject to Section 5.5.

### **8.5 Reinstatement of Death Benefit Guarantee**

The Death Benefit Guarantee may be reinstated within one year of the date the Death Benefit Guarantee terminated provided:

- 1) The Contract has remained in force under Section 5.5 and has not been reinstated under Section 5.4; and
- 2) You pay premiums sufficient to meet the Death Benefit Guarantee requirements in Section 8.2 as of the Monthly Anniversary on or immediately preceding the date of Death Benefit Guarantee reinstatement.

## **SECTION 9 ACCOUNT VALUE**

### **9.1 Account Value**

The Account Value is the sum of:

- 1) Net Premiums received by us; and
- 2) Interest credited;

LESS the sum of:

- 3) Monthly Deductions; and
- 4) Any partial withdrawals made.

## **9.2 Net Account Value**

The Net Account Value is equal to the Account Value less any Indebtedness.

## **9.3 Interest**

Interest is credited daily on the Account Value. We guarantee that the interest rate credited will not be less than an effective annual rate of four percent (4%). We may credit interest in excess of the guaranteed rate. However, the credited excess interest on the portion of the Account Value equal to any Indebtedness may be lower than the credited excess interest rate on any unloaned Account Value.

## **9.4 Basis of Computations**

Net single premiums in this Contract are based on the Commissioner's 2001 Standard Ordinary Male and Female Ultimate Mortality Tables, split smoker/nonsmoker. Interest is at four percent (4%) per year.

The computations consider that the Contract is issued on the basis of the Insured's sex and age at last birthday. They are also based on the assumption that Death Benefits are payable immediately upon death.

The Commissioner's Reserve Valuation Method is used in the calculation of reserves.

The Cash Surrender Values available under this Contract are equal to or greater than those required by the law of any state in which this Contract is delivered. We have filed a detailed statement of the method of computation with the insurance supervisory official of the state in which this Contract is delivered.

## **SECTION 10 SURRENDER**

### **10.1 Cash Surrender Value**

The Cash Surrender Value on any day is equal to the Net Account Value less the sum of:

- 1) The amount, if any, needed to cover unpaid Monthly Deductions; and
- 2) The Surrender Charges, if any, applicable on that day.

The Cash Surrender Value on a Monthly Anniversary is determined without regard to the Monthly Deduction on that date. If the request is made within 30 days of a Contract Anniversary, the Cash Surrender Value will not be less than the anniversary value. Cash Surrender Values are not less than the minimum values required by law.

We have the right to defer the payment of any Cash Surrender Value for six months from the date the surrender is requested.

### **10.2 Full Surrender**

You may surrender this Contract for its Cash Surrender Value by giving Written Notice while the Insured is living. The surrender will be effective on the later of the day you give Written Notice to Catholic Knights or a Catholic Knights financial services representative, or the date you specify. Insurance coverage ceases on the effective date of the surrender.

### **10.3 Partial Withdrawal**

You may withdraw a portion of the Account Value by giving Written Notice while the Insured is living. The Withdrawal will be effective on the day you give Written Notice to Catholic Knights or a Catholic Knights financial services representative. Up to four (4) Partial Withdrawals may be requested in any Contract year and each Partial Withdrawal must be at least \$200. A Partial Withdrawal:

- 1) Will reduce the Account Value by the amount of the Partial Withdrawal;
- 2) Must not reduce the remaining Cash Surrender Value to less than \$300; and
- 3) If the Death Benefit Option is Option 1, then the Partial Withdrawal will decrease the Current Face Amount by the amount of the Partial Withdrawal. The decrease in Face Amount will be applied in the order specified in Section 7.2.

A Partial Withdrawal may cause the Death Benefit Guarantee to terminate.

## **SECTION 11 MONTHLY DEDUCTION**

### **11.1 Monthly Deduction**

The Monthly Deduction from the Account Value is the sum of:

- 1) The Monthly Expense Charges shown on the Contract Specifications page;
- 2) The monthly cost of any additional benefits and riders; and
- 3) The monthly Cost of Insurance (see Section 11.2).

The first Monthly Deduction is made on the Certificate Date. Thereafter, a Monthly Deduction is made on each Monthly Anniversary prior to the Contract Maturity Date, unless a premium is in default (see Section 5.3) or the deduction is postponed under Section 8, Death Benefit Guarantee.

Deductions from Account Value are made in the order listed above.

### **11.2 Cost of Insurance**

The Cost of Insurance is determined on the Certificate Date and on each Monthly Anniversary. It is equal to the Cost of Insurance Rate multiplied by the Risk Amount divided by 1,000.

### **11.3 Cost of Insurance Rate**

We will determine the Cost of Insurance Rate monthly. The rate is based on the Insured's Insurance Class and age. For the Initial Face Amount, the Cost of Insurance Rate is based on Issue Age and the number of years since the Certificate Date. For any increase in Face Amount, the rate is based on the Insured's age on the effective date of the increase and on the number of years since that date.

The Insurance Class for the Initial Face Amount is shown on the Contract Specifications page. The Cost of Insurance Rate for any increase in Face Amount according to Section 7.1 will be determined on the effective date of the increase. If the Base Amount of Insurance is based on the Minimum Death Benefit in Sections 6.2 and 6.3, the Insurance Class of the resulting increase in Death Benefit will be the Insurance Class shown on the Contract Specifications page or, if the Face Amount has been increased, the Insurance Class for the most recent increase.

The Cost of Insurance Rate for the Initial Face Amount and for any increase in Face Amount with the same Insurance Class as shown on the Contract Specifications page will not exceed the rates shown on page 5. If different maximum Cost of Insurance Rates apply to any increase in Face Amount, those rates will be shown on a supplemental contract schedule that we will mail to you.

We may charge less than the maximum rate. Any change in Cost of Insurance Rates will apply to all Insureds of the same Insurance Class and age. Any change will be based upon future anticipated or

emerging Experience Factors. Experience Factors include investment earnings, mortality, persistency, taxes and expenses.

#### **11.4 Risk Amount**

The Risk Amount is equal to:

- 1) The Base Amount of Insurance divided by an interest factor of 1.0032737;

Less:

- 2) The Account Value (before the Cost of Insurance is deducted).

If the Death Benefit is Option 1 and the Initial Face Amount has been increased, the Risk Amount for the Initial Face Amount and for each increase in Face Amount will be determined by allocating the Account Value to each portion of the Face Amount according to the ratio of each portion to the total Face Amount of this Contract.

### **SECTION 12 LOANS**

#### **12.1 Loan**

You can get cash from us by taking a loan. If there is an existing loan, you can increase it. You may obtain a loan from us with this Contract as sole security if:

- 1) You give Written Notice; and
- 2) The loan does not increase Indebtedness to more than the Cash Surrender Value plus the cash value of any dividend options.

Loans may cause the Death Benefit Guarantee to terminate.

We have the right to defer making a cash loan for up to six months from the date the loan is requested, except when the request is made to pay premiums on any contract with us.

#### **12.2 Loan Interest**

The loan interest rate charged will not exceed the greater of (1) and (2), where:

1. is the Interest Rate shown in the Contract Specifications plus 1% per annum; and
2. is the Moody's Corporate Bond Yield Average-Monthly Average Corporates for the calendar month ending two months before the beginning of the month in which your Contract Anniversary falls. If the maximum is at least one-half of one percent smaller than the rate we have set for the previous contract year, we will reduce the rate to a rate no more than that maximum. If the maximum is at least one-half one percent greater than the rate we have set for the previous contract year, we will increase the rate to a rate no more than that maximum. Moody's Corporate Bond Yield Average-Monthly Average Corporates referred to above is pushed by Moody's Investors Service, Inc. In the event it is no longer published, we will use a similar average established by applicable regulation.

Interest will accrue daily on loans. Accrued interest may be paid at any time at the equivalent effective rate. In the event you do not pay the loan interest charged in any contract year, it will be borrowed against the contract and added to the contract indebtedness and bear interest at the same rate.

When a loan is made, we will inform you of the rate and if any rate increase is to be made within 40 days. We will mail a notice to you and any assignee recorded at the Home Office at least 30 days before we make any rate increase which will apply to an existing loan.

#### **12.3 Indebtedness**

Indebtedness consists of all unpaid loans and accrued interest. All or part of the Indebtedness may be repaid at any time while the Insured is living. If there is a loan on this Contract, you must notify us if a

payment to us is a repayment of Indebtedness. Otherwise, it will be considered a premium payment. The Percent of Premium Charge is not deducted from loan repayments. Repayments of Indebtedness do not change the Account Value. Upon death any Indebtedness will be deducted from the Insurance Proceeds. Upon Surrender any Indebtedness will be deducted from the Cash Surrender Value.

If the total indebtedness, including interest due and accrued, will equal or exceed the Cash Surrender Value plus the cash value of any dividend additions, the contract will be terminated. Notice of the premiums required to keep this contract in force will be mailed to you, and any assignee of record, at the address last known to us. You will have 30 days after the date of notice, or, if longer, the balance of the grace period, during which the contract will remain in force. If the required premium is not received at our Home Office, this contract will terminate.

## **SECTION 13 BENEFICIARY**

### **13.1 Designated Beneficiary**

The beneficiary is the person or persons to whom the Insurance Proceeds are payable upon the death of the Insured. You may name a contingent beneficiary to become the beneficiary if all the beneficiaries die while the Insured is alive. If no beneficiary or contingent beneficiary is named, or if none is alive when an Insured dies, the owner (or the owner's estate) will be the beneficiary.

If more than one beneficiary is alive when the Insured dies, we will pay them in equal shares, unless you have chosen otherwise.

### **13.2 Change of Beneficiary**

While the Insured is alive, you may change any beneficiary by Written Notice to us unless the beneficiary has been made irrevocable. Changes in the beneficiary, unless otherwise specified by the owner, will take effect on the date the notice of change is signed by the owner. No change is binding on us until it is recorded at our Home Office. Once recorded, the change binds us as of the date you signed it. The change will not apply to any payment made by us before we recorded your request.

## **SECTION 14 DIVIDENDS**

### **14.1 Dividends**

Each year we will determine our divisible surplus. This Contract's share, if any, will be credited as a dividend on the Contract Anniversary. Since we do not expect this Contract to contribute to divisible surplus, it is not expected that any dividends will be credited.

### **14.2 Dividend Options**

You may choose to apply dividends under any of the options listed below. Dividends will be applied under the Payment of Premium option unless a different option has been chosen in writing.

**Cash.** Dividends are paid in cash

**Payment of Premium.** Dividends are applied as payment of a Net Premium.

## **SECTION 15 OPTIONAL PAYOUT PLANS**

### **15.1 Optional Payout Plans**

At the time of their commencement, any benefits provided under this contract will not be less than those provided by the application of the Cash Surrender Value to purchase a single consideration immediate annuity contract at purchase rates offered by us at the time to the same class of annuitants.

If no optional payment plan is selected, any benefits provided by this contract will be paid in cash.

The optional payout plans available to the Beneficiary upon death of the Insured are:

2010 UL FLX AR

A. **Interest Deposit Account**— The allocated Insurance Proceeds will be held by us in an Interest Deposit Account and will earn interest annually at rates that we determine from time to time, but never less than one and one half percent (1.5%). The interest may be paid periodically or left to accumulate. The payee may withdraw all or part of the account at any time.

B. **Payments For a Guaranteed Period**-- We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest are fully paid over a guaranteed period that may be selected. The guaranteed period must be at least five (5) years. We reserve the right to set a maximum limit. The payee may not withdraw any of the account at any time.

C. **Payments Based on a Single Life**

1) **Life Only Annuity**--We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the payee's life expectancy. We will pay that amount as long as the payee is alive. We will make no further payments after the payee's death. The payee may not withdraw any of the account at any time.

2) **Life Annuity With Period Certain** – We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the payee's life expectancy and the probability that the payee would not survive a certain period that may be selected. The certain period must be either ten (10) or twenty (20) years. If the payee dies during the certain period, we will pay the present value of the remaining certain-period payments to the payout plan beneficiary pursuant to his or her election of a lump sum or an eligible payout plan. To be eligible, the payout plan must pay out at least as rapidly as the plan in effect when the payee died. If the payout plan beneficiary does not make such an election, we will pay the annuity proceeds in a lump sum. If the payee survives beyond the selected period, we will continue making the periodic payments until the payee's death. The payee may not withdraw any of the account at any time.

D. **Joint and Survivor Lifetime Payments** ---We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the life expectancies of two (2) payees. We will pay that amount as long as one or both payees are living. Neither beneficiary may withdraw any of the account at any time.

E. **Other Plans**--Other periodic plans may be arranged with us.

## 15.2 Minimum Payment Guarantee

The amount of the periodic payment under paragraphs B through E above will be determined by a single interest rate that we will declare when the plan takes effect and which will be at least one and one half percent (1.5%). Payments that depend on one or more lives will also be determined by a mortality table that we will declare when the plan takes effect and which will be at least as favorable to the beneficiary as the Annuity 2000 Mortality tables, split by sex.

Tables 1, 2 and 3 in Section 15.5 show the minimum guaranteed payments for each plan under paragraphs B, C and D, respectively, under certain stated assumptions.

## 15.3 Who May Choose An Optional Payout Plan

A choice of a payout plan for Insurance Proceeds may be made by you while the Insured is still alive. If no selection is made, the beneficiary shall have the right to select the plan. All choices of payout plans will take effect when recorded by us. When a payout plan starts we will issue a contract which will describe the terms of the plan. We may require that you send us this Certificate.

If the payee is not a natural person, the choice of a payout plan will be subject to our approval. An assignment will modify a prior choice of payout plan. The amount due the assignee will be payable in

one sum and the balance will be applied under the plan. We will not accept assignments of payout plans for the benefit of creditors.

#### 15.4 Frequency of Payments

Monthly, quarterly, semi-annual or annual payments may be selected, subject to our administrative minimums.

#### 15.5 Payout Plan Guaranteed Payments

The monthly amounts shown are for each \$1,000 applied. To change monthly payments to quarterly, semi-annual or annual payments, multiply the monthly amount by 3.00; 6.02; or 12.08, respectively. Actual payments may be more than these guaranteed amounts. The tables below assume that no cash withdrawals are made; only the minimum guaranteed interest of one and one half percent (1.5%) is paid, and payments are made at the end of the payment mode selected. Tables 2 and 3 are based on the Annuity 2000 Mortality tables, split by sex.

## CATHOLIC KNIGHTS WAIVER OF PREMIUMS BENEFIT RIDER

This Rider shall become a part of the life Contract to which it is attached. The Rider provisions apply in lieu of any Contract provisions to the contrary. The effective date of this Rider is shown on the Specifications Page of the Contract.

### **Benefit**

If the Insured becomes disabled, we will deposit to the Contract an amount equal to the Total Death Benefit Guarantee Premium. We will do this for each Monthly Anniversary during the period of disability for as long as the Contract remains in force. Our actions will not reduce any benefits of the Contract. Any deposit will not reduce any death benefit.

### **Definition of Disability**

Disability means that the Insured is unable to perform the duties of his/her job due to sickness or accidental bodily injury. Duties mean the substantial and material duties. Disability must be for a continuous period of six months.

During the first 24 months, Disability means being unable to perform the duties of the Insured's regular job. After the first 24 months, it means being unable to perform the duties of any job for which he/she become reasonably qualified for by reason of education, training, or experience.

If the Insured was a student when Disability began, going to school is the Insured's regular job.

The total and permanent loss of sight of both eyes will be considered as Disability. So will the loss of the use of both hands, both feet, or one hand and one foot.

### **Premium**

The Monthly Death Benefit Guarantee Premium for this Rider is shown on the Specifications Page. It remains level until the expiry date shown on the Specifications Page. This is also the monthly deduction for this Rider.

Before we approve a claim for waiver benefit, the payment of the premiums when due is required to avoid a lapse of insurance. If we approve the claim for the waiver benefit after the continuous period of six months we will refund the premiums paid after the first of the benefit month on or following the date the insured's total disability began.

### **Cash Values**

This Rider does not provide for any cash values or loan values.

### **Risks Not Covered**

The Rider does not cover a disability which:

1. Began before the Contract Date; or

2. Began after the Contract anniversary on or next following the Insured's 65<sup>th</sup> birthday; or
3. Began after the grace period of a premium in default. If Disability begins during a grace period, payment of the overdue premium is required to avoid a lapse of coverage before we approve the claim for the waiver benefit.
4. Was caused or contributed to by any attempt at suicide, or intentionally self-inflicted injury, while sane or insane; or
5. Is a result of war or act of war, if the cause of disability is while the Insured is serving in the Military, Navy, or Air Force of any country, combination of countries, or international organizations. Disability is not covered provided it occurs while in such forces or within six months after termination of service in such forces.
6. Is caused by or contributed to by any condition disclosed in the application and explicitly excluded in a form attached to the Contract.

### **Proof of Disability**

Written notice and proof must be given to us:

1. While the Insured is alive and disabled; and
2. Within 12 months of any termination of this Rider.

As part of any proof, we may require, at our expense, medical examinations of the Insured by physicians we choose.

We may also require written proof of continued Disability once every 60 days. After two years of Disability, proof will not be required more than once a year.

If notice or proof is late, we will accept it if it is given as soon as reasonably possible. If not given as soon as reasonably possible, we will not make any deposit that was due more than one year before the date written notice or proof was given to us.

If proof is not given when required or if the Insured does not submit to a medical examination, deposits due after that time will not be made.

### **Recovery from Disability**

If and when the Insured recovers, all premiums becoming due thereafter are payable by you. We will not make any further deposits.

### **Exchange of the Contract**

If the Contract to which this Rider is attached is exchanged prior to disability, the new Contract will include this Rider.

### **Termination**

This Rider terminates on the first Contract anniversary beginning on or next following the Insured's 65<sup>th</sup> birthday. It also terminates upon termination of the Contract. Nonpayment of a premium in default or within the grace period for that premium will terminate this Rider.

Upon written request this Rider may be terminated. We may require the return of the Contract for proper endorsement.

If the Contract is reinstated prior to the expiry date, this Rider will likewise be reinstated.

**CATHOLIC KNIGHTS  
CHILDREN'S LEVEL TERM INSURANCE RIDER**

This Rider shall become a part of the life Contract to which it is attached. The Rider provisions apply in lieu of any Contract provisions to the contrary. The effective date of this Rider is shown on the Specifications Page of the Contract.

**Benefit**

We will pay to the beneficiary the amount of insurance upon the death of any Insured Child provided that the death occurred:

1. After the Insured Child becomes 15 days old;
2. Before the anniversary date of the Contract on or next following the 23<sup>rd</sup> birthday of the Insured Child; and
3. Before the expiry date of this Rider shown on the Specifications Page of the Contract.

The amount of insurance for this Rider is shown on the Specifications Page of the Contract.

**Premium**

The premium for this Rider is shown on the Specifications Page of the Contract. It remains level while this Rider is in force.

**Definitions**

"Contract" means the life Contract to which this Rider is attached.

"Insured Child" whenever used in this Rider means:

1. Any child, stepchild, or legally adopted child of the insured, provided the child is named in the application for this Rider; and
2. Any child who, after the date of application, is born of the Insured or is legally adopted by the Insured prior to the child's 21<sup>st</sup> birthday.

"Insured" in this Rider means the Insured under the Contract.

**Beneficiary**

"Beneficiary" of this Rider is:

1. The Insured, if living; otherwise,
2. The estate of the deceased Insured Child.

**Continuation of Term Insurance in Event of Death of the Insured**

If the Insured dies first, this Rider shall be continued in force without the requirement of any further payments. Its owner will be (a) the person, if any, whom the Insured specified in writing to be the owner and whom survived the Insured; otherwise (b) the Insured's estate.

**Cash Value**

This Rider does not provide for any cash value except in the event of death of the Insured. In the event of death of the Insured, the cash value is equal to the reserve for such insurance. Information about the amount of cash value available will be furnished upon request. This Rider may be surrendered at any time for its cash value. If the Rider is surrendered within thirty (30) days after a Contract anniversary, the value available will not be less than the value on that Contract anniversary date. This Rider does not provide loan values.

**Conversion or Exchange of the Contract**

If the Contract is converted or exchanged under a conversion or exchange option, this Rider may be attached to the new Contract on the life of the insured. Evidence of insurability will not be required.

**Disability**

The premiums for this Rider will be waived if and when premiums for the Contract are waived under the Waiver of Premium provision.

**Incontestability**

All statements made in the application for this Rider on behalf of any Insured Child are representations not warranties. Statements may be used to contest a claim under this Rider or the validity of this Rider only if they are contained in the application.

This Rider will not be contested by us after it has been in force during the lifetime of the Insured Child for two years from the date of issue. While the Rider is contestable, we may rescind the Rider or deny a claim only on the basis of material misrepresentation in the application which is willfully false and intentionally misleading. A misrepresentation is material if, on the basis of correct and complete information in the application, we would have:

1. Declined the application;
2. Issued the Rider at a higher premium; or
3. Issued the Rider on some other basis.

If the Rider is rescinded, the premiums paid will be refunded.

**Misstatement of Age**

If the age of any Insured Child has been misstated, the termination date and conversion rights on the term insurance for that Insured Child will be based on the correct age.

**Reinstatement**

If the Contract is reinstated, this Rider may be reinstated at the same time, provided that we receive evidence of insurability satisfactory to us for all persons Insured under this Rider.

Reinstatement will create no liability because of the death of any Insured Child occurring prior to the date of reinstatement.

**Payment Options**

Any amount payable on the death of any Insured Child under this Rider may be applied to any payment option under the Contract. A new contract will be issued without surrender of the original Contract.

**Contract Loans**

No Contract loan on the Contract will be deducted from any settlement under this Rider.

**Conversion of this Rider**

If this Rider has not terminated, the insurance on each child may be converted during their lifetime and in the periods shown below without evidence of insurability. Conversion can be to any plan of permanent insurance which we issue on the date of conversion. Permanent life insurance means a plan of life insurance that provides insurance protection until at least age

100 and that provides guaranteed cash values. The Incontestability and Suicide provisions attributable to the coverage converted will run from the effective date of this Rider.

When Conversion Occurs	Maximum Amount
During the 31 days after the Contract anniversary that is on or next follows the child's 18 <sup>th</sup> birthday.	Five times the amount of insurance that the Rider provides.
At other times on or before the Contract anniversary that is on or next follows the child's 23 <sup>rd</sup> birthday.	The amount of insurance that the Rider provides.
During the 31 days after the Contract anniversary that is on or next follows the child's 23 <sup>rd</sup> birthday.	Five times the amount of insurance that the Rider provides.

The date of each new Contract shall be the date of conversion. Each new Contract shall be issued using the standard rates and procedures for plans being offered at the time of conversion. The new Contract must meet the minimum Contract size requirements for the new plan.

This Rider and all insurance provided herein shall terminate automatically:

1. Upon the expiry date shown on the Specifications Page of the Contract;
2. Upon nonpayment of a premium when due or within the grace period for that premium;
3. Upon surrender or other termination of the Contract;
4. Upon the death of the last surviving Insured Child;
5. Upon the date when either extended insurance or paid-up insurance becomes effective under the Contract; or
6. Upon written request.

## **SECTION 3     GENERAL PROVISIONS**

### **3.1     The Life Insurance Contract**

Your life insurance contract ("Contract") consists of this Certificate, including all supplemental changes, endorsements and riders to this Certificate, the Applications, and the Constitution ("Articles of Incorporation") and Bylaws of Catholic Knights. Any changes, additions or amendments to the Constitution or Bylaws of Catholic Knights duly made or enacted subsequent to the issuance of this Certificate shall bind the owner and the beneficiaries and shall govern and control the Contract in all respects the same as if the changes, additions or amendments had been made prior to and were in force at the time of the Applications for membership and insurance, except that no change, addition or amendment shall destroy or diminish benefits which Catholic Knights contracted to give the owner as of the Certificate Date.

If you cease to be a member of Catholic Knights for any reason except for non-payment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, you may maintain the Contract in force by continuing payment of the required premium. No provision of Catholic Knights' Constitution or Bylaws provides for the termination of coverage under this Contract.

We assume that all statements made in the Applications were made to the best of the knowledge and belief of the person who made them; in the absence of fraud they are deemed to be representations not warranties. We relied on those statements when we issued the Certificate. We will not use any statement, unless made in the Applications, to void this Contract or to deny a claim.

No change in this Certificate is valid unless it has been approved by the insurance supervisory official of the state in which this Contract is delivered and by an officer of Catholic Knights. No agent or financial services representative has authority to change this Certificate or to waive any of its provisions.

### **3.2     Incontestability**

This Contract will not be contested by us after it has been in force during the lifetime of the Insured for two (2) years from the Certificate Date except for (a) non-payment of premium, and (b) fraud in the procurement of this Contract when permitted by applicable law in the state where this contract is delivered or issued for delivery. This provision will apply from the date this Contract is reinstated with regard to statements made in the application for reinstatement.

If an increase in the face amount required proof of insurability, Catholic Knights will not contest the validity of the increase after it has been in effect for two (2) years from the date of increase provided the Insured has not died during that time.

### **3.3     Suicide**

If the Insured dies by suicide, whether sane or insane, within two (2) years from the Certificate Date, we will pay no more than the sum of the premiums paid without interest less any Indebtedness, less any dividends paid, and less any partial withdrawals.

If the Insured dies by suicide, whether sane or insane, within two (2) years from the date of a rider addition or an increase in the Face Amount that increases the Insurance Proceeds payable, the amount of the rider addition or increase in Death Benefit will not be paid. Catholic Knights will refund the Cost of Insurance deductions attributable to the addition or increase.

### **3.4     Misstatement of Age or Sex**

If the age or sex of the Insured has been misstated, the current face amount and every other benefit payable will be the amount which the most recent Cost of Insurance Rate would have purchased.

### **3.5 Maintenance of Legal Reserves**

If for any reason our reserves as to all or any class of policies become impaired, Catholic Knights' Board of Directors or a corresponding body may require that there shall be paid by the owner to us the amount of the owner's equitable portion of such deficiency.

If the payment is not made it shall stand as an Indebtedness against the Contract and draw interest at the rate of interest set by us for loans in accordance with Section 12.2. In lieu thereof or in combination therewith, the owner may consent to an equivalent reduction in benefits.

The foregoing provisions of this Section 3.5 correspond in substance to a section of the Catholic Knights Bylaws. No other provision of Catholic Knights' Constitution or Bylaws provides for any reduction of benefits under this Contract.

### **3.6 Annual Report**

At least once each year we will send a report, without charge, to the owner which shows current information as of a date not more than four months prior to the date of mailing. This information includes the following:

- 1) The beginning and end dates of the current report period.
- 2) The Account Value at the end of the current report period;
- 3) The amounts (identified by type) that have been credited or debited during the current report period;
- 4) The loan balance, if any, at the end of the current period;
- 5) The death benefit at the end of the current period; and
- 6) The Cash Surrender Value, if any, at the end of the current report period.

If assuming guaranteed interest, mortality and expense loads, and continued scheduled premiums, the contract would terminate due to excess indebtedness, a notice to this effect will be included in the report.

### **3.7 Illustration**

Upon your written request, we will provide one illustration of future death benefits and surrender value in any contract year. The illustration will be based on necessary assumptions specified by us and/or you. Additional illustrations are available upon your written request for a fee not to exceed \$25.00.

### **3.8 Forms and Procedures**

We may require the owner to follow our procedures and to use our forms to take any action, such as changing a beneficiary or requesting a payment. We may require the owner to submit this certificate for endorsement to show any change. The owner may obtain any information and forms from an authorized agent or the home office.

## **SECTION 4 OWNERSHIP**

### **4.1 The Owner**

The owner is named on page 3. All Contract rights may be exercised by you or your successor or transferee, without the consent of any beneficiary designated unless the beneficiary has been made irrevocable. These rights may be exercised only during the lifetime of the Insured and thereafter to the extent permitted by Section 15.

## **4.2 Transfer of Ownership**

You may transfer the ownership of this Contract. Written evidence of transfer satisfactory to us must be received at our Home Office. The transfer will then be effective as of the date it was signed by you, subject to any payments made or actions taken by us prior to receipt of this transfer.

## **4.3 Collateral Assignment**

You may assign this Contract as collateral security. We assume no responsibility for the validity or effect of any collateral assignment of this Contract. We will not be responsible to an assignee for any payment or other action taken by us before receipt of the assignment in writing at our Home Office.

The interest of any beneficiary will be subject to any collateral assignment made either before or after the beneficiary designation. The rights of an assignee may not come before the rights of an irrevocable beneficiary that is designated prior to the assignment.

You must give us notice of an assignment. An assignment, unless otherwise specified by the owner, will be effective on the date signed, subject to any payments made or actions taken by us prior to receipt of such notice.

A collateral assignee is not an owner. A collateral assignment is not a transfer of ownership. Ownership can be transferred only by complying with Section 4.2

## **4.4 Successor Owner**

The contract owner may designate a successor owner to assume the responsibilities and duties of the contract owner in the event of the death of the contract owner. The successor owner may be an individual, at least 18 years of age, or a corporation, partnership, trust or other entity. The successor owner has no rights in regard to the contract and cannot direct any changes, conversion, transfers or cancellations, except in the event of the death of the contract owner. The contract owner may change the designation of the successor owner at any time.

# **SECTION 5 PREMIUMS AND REINSTATEMENTS**

## **5.1 Premium Payments**

The amount of the Planned Premium and its interval of payment are shown on the Contract Specifications page. The initial premium is due on or before the Certificate Date. Premiums received before the Certificate Date are applied on the Certificate Date. All premiums are payable at our Home Office or to any Catholic Knights financial services representative.

Premiums may be paid at any time before the Contract Maturity Date. You may pay more or less than the Planned Premium, but each premium that is not paid electronically must be at least \$25. However, except as provided in Section 8, to continue the Contract in force on each Monthly Anniversary the Net Account Value must be sufficient to cover the Total Monthly Deduction.

We reserve the right to not accept premiums, or a portion of a premium, if after the premium is applied the Base Amount of Insurance will be the Minimum Death Benefit as described in Section 6.2 and 6.3. Acceptance of premiums in this case is subject to our issue and underwriting requirements.

## **5.2 Premium Billing**

We will send premium billings based on the amount and interval of premium payments you request. You may change the amount and, subject to our administrative rules, the interval or method of billing by giving Written Notice.

### **5.3 Premium in Default and Grace Period**

Except as described under Section 8, Death Benefit Guarantee, a premium is in default on a Monthly Anniversary if the Monthly Deduction to be made on that day would result in a Net Account Value less than zero. Notice of the premium required for the grace period and to keep this Contract in force for three months will be mailed to you and any assignee of record, at the address last known to us. You will have a grace period of 61 days after the date of notice during which the Contract will remain in force. If the required premium is received at our Home Office within the grace period, we will deduct any Monthly Deduction not made while the premium was in default. Otherwise, this Contract will terminate without value at the end of the grace period. Any premium payment sent by U.S. mail must be postmarked before the expiration of the grace period.

### **5.4 Reinstatement**

This Contract may be reinstated within three (3) years after the end of the grace period unless it has been surrendered. Following the end of the grace period, to reinstate we require:

- 1) Evidence of insurability which meets our standards;
- 2) Payment of a premium sufficient to cover the Monthly Deductions that were not made during the grace period;
- 3) Payment of a premium sufficient to keep this contract in force for at least one (1) month; and
- 4) Repayment or reinstatement of all Indebtedness existing at the end of the grace period.

If all of the above requirements are met and we approve the application for reinstatement, reinstatement will be effective on the Monthly Deduction Date immediately preceding the date of our approval. If a Surrender Charge was applicable at the end of the grace period, we will issue a new Schedule of Charges restating the surrender charges. The new Schedule of Surrender Charges will not include the time between the end of the grace period and the date of reinstatement. There will be no Monthly Deductions or loan interest charged from the date of lapse to the date of reinstatement. Upon reinstatement, the Account Value is the Account Value on the date of lapse plus the Net Premiums received minus the Monthly Deductions that were not made during the Grace Period minus the Monthly Deduction on the reinstatement date.

The Death Benefit Guarantee cannot be reinstated under this provision.

### **5.5 Continuation of Insurance Coverage**

This Contract will remain in force until the first of the following events to occur:

- 1) The date of death of the Insured.
- 2) The end of the grace period if the premium required to keep this Contract in force has not been received at our Home Office.
- 3) The date you surrender this Contract.
- 4) The Contract Maturity Date shown on the Contract Specifications page.

Any dividend accumulations and the cash value of any paid-up dividend additions shall be paid to the owner upon termination of the contract.

## **SECTION 6 INSURANCE PROCEEDS**

When the Insured dies, an amount of money called the Insurance Proceeds, will be payable to the beneficiary. The Insurance Proceeds are described in this section.

### **6.1 Current Face Amount**

The Initial Face Amount of Insurance is shown on page 3. You may increase or decrease the Initial Face Amount of Insurance as described in Section 7. The Current Face Amount on any date is the

Initial Face Amount of Insurance plus any face amount increases and minus any face amount decreases on or prior to that date.

## **6.2 Minimum Death Benefit**

This Contract is intended to qualify as a "life insurance contract" under Section 7702 of the Internal Revenue Code by providing a Minimum Death Benefit in compliance with the Cash Value Accumulation Test. The Minimum Death Benefit on any date is the amount of paid-up whole life insurance that would be purchased by the Account Value as a net single premium at the Insured's sex and Attained Age using the mortality and interest rates described in Section 9.4. If, at any time, a different method or basis which provides a higher Minimum Death Benefit is needed to satisfy the Cash Value Accumulation Test, the Minimum Death Benefit will be calculated on that method or basis. We reserve the right to make any reasonable adjustments to the terms or conditions of this policy if it becomes necessary to allow it to qualify as life insurance. A change in Death Benefit Option or Current Face Amount, or certain other policy changes, will often change the policy's limits under the Cash Value Accumulation Test. We reserve the right to refuse or limit any request for a change if the change would cause the policy to fail to qualify as life insurance for tax purposes.

This provision should not be construed to guarantee that this policy will receive tax treatment as life insurance or that the tax treatment of life insurance will never be changed by the future actions of any tax authority.

## **6.3 Death Benefit Options**

The Death Benefit Option in effect as of the Certificate Date is shown on the Contract Specifications page and may be subsequently changed by you in accordance with Section 7.3. There are two death benefit options:

Option 1 - The Base Amount of Insurance will be the greater of:

- 1) the Current Face Amount; and
- 2) the Minimum Death Benefit.

Option 2 - The Base Amount of Insurance will be the greater of:

- 1) the Current Face Amount plus the Account Value, and
- 2) the Minimum Death Benefit.

## **6.4 Insurance Proceeds Calculation**

The Insurance Proceeds are:

- 1) The Base Amount of Insurance from the death benefit option in effect on the date of death  
PLUS
- 2) Any insurance on the Insured's life which may be provided by riders to this Contract  
PLUS
- 3) Any insurance bought with dividends  
MINUS
- 4) Any Indebtedness.

Within a reasonable period (not longer than two months) after we have received due proof of the Insured's death and of the claimant's right to payment, we will pay the Insurance Proceeds in one lump sum unless one or more of the payout plans described in Section 15 is selected. We will pay interest on the proceeds from the date of death to the date of settlement at the rate paid on the date of death on funds left on deposit with us.

Additional interest, at a rate of 8%, will be paid if the Insurance Proceeds are not paid within 30 calendar days from the latest of (1) our receipt of due proof of the Insured's death, (2) our receipt of

sufficient information to determine the extent of liability and payee, and (3) removal of any legal impediments to payment of proceeds that were depended upon parties other than us. Due proof of the Insured's death will consist of a certified copy of the Insured's death certificate, or other lawful evidence providing equivalent information and proof of the claimant's interest in the proceeds.

## **SECTION 7 CHANGES IN FACE AMOUNT AND DEATH BENEFIT OPTION**

### **7.1 Increase In Face Amount**

After the Contract has been in force for one (1) Contract Year, you may increase the Face Amount any time before the Contract Anniversary on or next following the Insured's 85th birthday. The increase is subject to the following:

- 2) You must make written application to us at our Home Office.
- 3) You must give us evidence of insurability which meets our standards.
- 4) The increase must be at least \$25,000.
- 5) The effective date of the increase will be the date shown on the supplemental contract schedule that we will mail to you.
- 6) The Cost of Insurance for the increase will be included in the Monthly Deduction beginning on the effective date of the increase.
- 7) The Net Account Value must be sufficient to cover the Monthly Deduction on the effective date of the increase.

### **7.2 Decrease In Face Amount**

- 1) Only one decrease is allowed in each Contract Year
- 2) You must give Written Notice.
- 3) The decrease must be at least \$10,000
- 4) The decrease will be applied, in successive order, against:
  - a. The most recent increase in Face Amount;

- 3) If you change from Option 1 to Option 2, the Face Amount will be decreased by the Account Value on the effective date of the change. The decrease in Face Amount will be applied in the order specified in Section 7.2. However, this change may not be made if it would reduce the Face Amount to less than the Minimum Face Amount shown on the Contract Specifications page.
- 4) If you change from Option 2 to Option 1, the Face Amount will be increased by the Account Value on the effective date of the change. A new schedule of Surrender Charges will apply to the increase in Face Amount.
- 5) A new Total Death Benefit Guarantee Premium will be determined if the Death Benefit Guarantee is in effect on the effective date of the change.
- 6) The effective date of the change will be the Monthly Anniversary on or next after the date we receive Written Notice. The new Death Benefit Option will be shown on the supplemental contract schedule that we will mail to you.

## **SECTION 8 DEATH BENEFIT GUARANTEE**

### **8.1 Death Benefit Guarantee**

This Contract will continue in force and no premium will be in default on a Monthly Anniversary even if the Monthly Deduction to be made that day would result in a Net Account Value that is less than zero; provided that you pay sufficient premiums to meet the Death Benefit Guarantee Requirements and the Death Benefit Guarantee has not terminated.

If this Contract continues in force under the Death Benefit Guarantee as described above, then if the Monthly Deduction on a Monthly Anniversary exceeds the Net Account Value, no deduction will be made and the Monthly Deduction will be postponed until the next Monthly Anniversary on which the Net Account Value exceeds the amount of the postponed Monthly Deduction. Postponed Monthly Deductions will be made in order, starting with the first postponed deduction. The Total Death Benefit Guarantee Premium is shown on the Contract Specifications page.

### **8.2 Death Benefit Guarantee Requirements**

On any Monthly Anniversary, the requirements for the Death Benefit Guarantee are met if (1) is equal to or greater than (2) where:

- 1) Is the sum of:
  - a) Premiums paid; and
  - b) Any premiums credited to this Contract under a Waiver of Premium Rider;

Less the sum of:

- c) Any partial withdrawals; and
  - d) Any Indebtedness.
- 2) Is the sum of the Total Death Benefit Guarantee Premiums from the Certificate Date through that Monthly Anniversary.

### **8.3 Death Benefit Guarantee Premiums**

Death Benefit Guarantee Premiums and the Total Death Benefit Guarantee Premium on the Certificate Date are shown on the Contract Specifications page. If the Death Benefit Guarantee has not terminated, then a new Total Death Benefit Guarantee Premium will be determined whenever:

- 1) The Death Benefit Option is changed;
- 2) The Face Amount is increased or decreased;
- 3) The Insurance Class is changed; or
- 4) Additional Benefits are increased, decreased, added to this Contract or terminated.

The new Total Death Benefit Guarantee Premium will be shown on the supplemental contract schedule that we will mail to you.

### **8.4 Termination of Death Benefit Guarantee**

The Death Benefit Guarantee may terminate if the requirements for the Death Benefit Guarantee are not met. The Death Benefit Guarantee terminates on the Certificate Date if the initial premium paid is less than the Total Death Benefit Guarantee Premium. On the first Monthly Anniversary on which the requirements for the Death Benefit Guarantee are not met, we will mail to you at the address last known to us a notice of the premium needed. You will have a grace period of 61 days after the date of notice during which the Death Benefit Guarantee will remain in force. If the required premium is not received at our Home Office within the grace period, the Death Benefit Guarantee will terminate as of the Monthly Anniversary on which the requirements for the Death Benefit Guarantee were not met.

If the Death Benefit Guarantee has terminated, the Contract will remain in force subject to Section 5.5.

### **8.5 Reinstatement of Death Benefit Guarantee**

The Death Benefit Guarantee may be reinstated within one year of the date the Death Benefit Guarantee terminated provided:

- 1) The Contract has remained in force under Section 5.5 and has not been reinstated under Section 5.4; and
- 2) You pay premiums sufficient to meet the Death Benefit Guarantee requirements in Section 8.2 as of the Monthly Anniversary on or immediately preceding the date of Death Benefit Guarantee reinstatement.

## **SECTION 9 ACCOUNT VALUE**

### **9.1 Account Value**

The Account Value is the sum of:

- 1) Net Premiums received by us; and
- 2) Interest credited;

LESS the sum of:

- 3) Monthly Deductions; and
- 4) Any partial withdrawals made.

## **9.2 Net Account Value**

The Net Account Value is equal to the Account Value less any Indebtedness.

## **9.3 Interest**

Interest is credited daily on the Account Value. We guarantee that the interest rate credited will not be less than an effective annual rate of four percent (4%). We may credit interest in excess of the guaranteed rate. However, the credited excess interest on the portion of the Account Value equal to any Indebtedness may be lower than the credited excess interest rate on any unloaned Account Value.

## **9.4 Basis of Computations**

Net single premiums in this Contract are based on the Commissioner's 2001 Standard Ordinary Male and Female Ultimate Mortality Tables, split smoker/nonsmoker. Interest is at four percent (4%) per year.

The computations consider that the Contract is issued on the basis of the Insured's sex and age at last birthday. They are also based on the assumption that Death Benefits are payable immediately upon death.

The Commissioner's Reserve Valuation Method is used in the calculation of reserves.

The Cash Surrender Values available under this Contract are equal to or greater than those required by the law of any state in which this Contract is delivered. We have filed a detailed statement of the method of computation with the insurance supervisory official of the state in which this Contract is delivered.

## **SECTION 10 SURRENDER**

### **10.1 Cash Surrender Value**

The Cash Surrender Value on any day is equal to the Net Account Value less the sum of:

- 1) The amount, if any, needed to cover unpaid Monthly Deductions; and
- 2) The Surrender Charges, if any, applicable on that day.

The Cash Surrender Value on a Monthly Anniversary is determined without regard to the Monthly Deduction on that date. If the request is made within 30 days of a Contract Anniversary, the Cash Surrender Value will not be less than the anniversary value. Cash Surrender Values are not less than the minimum values required by law.

We have the right to defer the payment of any Cash Surrender Value for six months from the date the surrender is requested.

### **10.2 Full Surrender**

You may surrender this Contract for its Cash Surrender Value by giving Written Notice while the Insured is living. The surrender will be effective on the later of the day you give Written Notice to Catholic Knights or a Catholic Knights financial services representative, or the date you specify. Insurance coverage ceases on the effective date of the surrender.

### **10.3 Partial Withdrawal**

You may withdraw a portion of the Account Value by giving Written Notice while the Insured is living. The Withdrawal will be effective on the day you give Written Notice to Catholic Knights or a Catholic Knights financial services representative. Up to four (4) Partial Withdrawals may be requested in any Contract year and each Partial Withdrawal must be at least \$200. A Partial Withdrawal:

- 1) Will reduce the Account Value by the amount of the Partial Withdrawal;
- 2) Must not reduce the remaining Cash Surrender Value to less than \$300; and
- 3) If the Death Benefit Option is Option 1, then the Partial Withdrawal will decrease the Current Face Amount by the amount of the Partial Withdrawal. The decrease in Face Amount will be applied in the order specified in Section 7.2.

A Partial Withdrawal may cause the Death Benefit Guarantee to terminate.

## **SECTION 11 MONTHLY DEDUCTION**

### **11.1 Monthly Deduction**

The Monthly Deduction from the Account Value is the sum of:

- 1) The Monthly Expense Charges shown on the Contract Specifications page;
- 2) The monthly cost of any additional benefits and riders; and
- 3) The monthly Cost of Insurance (see Section 11.2).

The first Monthly Deduction is made on the Certificate Date. Thereafter, a Monthly Deduction is made on each Monthly Anniversary prior to the Contract Maturity Date, unless a premium is in default (see Section 5.3) or the deduction is postponed under Section 8, Death Benefit Guarantee.

Deductions from Account Value are made in the order listed above.

### **11.2 Cost of Insurance**

The Cost of Insurance is determined on the Certificate Date and on each Monthly Anniversary. It is equal to the Cost of Insurance Rate multiplied by the Risk Amount divided by 1,000.

### **11.3 Cost of Insurance Rate**

We will determine the Cost of Insurance Rate monthly. The rate is based on the Insured's Insurance Class and age. For the Initial Face Amount, the Cost of Insurance Rate is based on Issue Age and the number of years since the Certificate Date. For any increase in Face Amount, the rate is based on the Insured's age on the effective date of the increase and on the number of years since that date.

The Insurance Class for the Initial Face Amount is shown on the Contract Specifications page. The Cost of Insurance Rate for any increase in Face Amount according to Section 7.1 will be determined on the effective date of the increase. If the Base Amount of Insurance is based on the Minimum Death Benefit in Sections 6.2 and 6.3, the Insurance Class of the resulting increase in Death Benefit will be the Insurance Class shown on the Contract Specifications page or, if the Face Amount has been increased, the Insurance Class for the most recent increase.

The Cost of Insurance Rate for the Initial Face Amount and for any increase in Face Amount with the same Insurance Class as shown on the Contract Specifications page will not exceed the rates shown on page 5. If different maximum Cost of Insurance Rates apply to any increase in Face Amount, those rates will be shown on a supplemental contract schedule that we will mail to you.

We may charge less than the maximum rate. Any change in Cost of Insurance Rates will apply to all Insureds of the same Insurance Class and age. Any change will be based upon future anticipated or

emerging Experience Factors. Experience Factors include investment earnings, mortality, persistency, taxes and expenses.

#### **11.4 Risk Amount**

The Risk Amount is equal to:

- 1) The Base Amount of Insurance divided by an interest factor of 1.0032737;

Less:

- 2) The Account Value (before the Cost of Insurance is deducted).

If the Death Benefit is Option 1 and the Initial Face Amount has been increased, the Risk Amount for the Initial Face Amount and for each increase in Face Amount will be determined by allocating the Account Value to each portion of the Face Amount according to the ratio of each portion to the total Face Amount of this Contract.

### **SECTION 12 LOANS**

#### **12.1 Loan**

You can get cash from us by taking a loan. If there is an existing loan, you can increase it. You may obtain a loan from us with this Contract as sole security if:

- 1) You give Written Notice; and
- 2) The loan does not increase Indebtedness to more than the Cash Surrender Value plus the cash value of any dividend options.

Loans may cause the Death Benefit Guarantee to terminate.

We have the right to defer making a cash loan for up to six months from the date the loan is requested, except when the request is made to pay premiums on any contract with us.

#### **12.2 Loan Interest**

The loan interest rate charged will not exceed the greater of (1) and (2), where:

1. is the Interest Rate shown in the Contract Specifications plus 1% per annum; and
2. is the Moody's Corporate Bond Yield Average-Monthly Average Corporates for the calendar month ending two months before the beginning of the month in which your Contract Anniversary falls. If the maximum is at least one-half of one percent smaller than the rate we have set for the previous contract year, we will reduce the rate to a rate no more than that maximum. If the maximum is at least one-half one percent greater than the rate we have set for the previous contract year, we will increase the rate to a rate no more than that maximum. Moody's Corporate Bond Yield Average-Monthly Average Corporates referred to above is pushed by Moody's Investors Service, Inc. In the event it is no longer published, we will use a similar average established by applicable regulation.

Interest will accrue daily on loans. Accrued interest may be paid at any time at the equivalent effective rate. In the event you do not pay the loan interest charged in any contract year, it will be borrowed against the contract and added to the contract indebtedness and bear interest at the same rate.

When a loan is made, we will inform you of the rate and if any rate increase is to be made within 40 days. We will mail a notice to you and any assignee recorded at the Home Office at least 30 days before we make any rate increase which will apply to an existing loan.

#### **12.3 Indebtedness**

Indebtedness consists of all unpaid loans and accrued interest. All or part of the Indebtedness may be repaid at any time while the Insured is living. If there is a loan on this Contract, you must notify us if a

payment to us is a repayment of Indebtedness. Otherwise, it will be considered a premium payment. The Percent of Premium Charge is not deducted from loan repayments. Repayments of Indebtedness do not change the Account Value. Upon death any Indebtedness will be deducted from the Insurance Proceeds. Upon Surrender any Indebtedness will be deducted from the Cash Surrender Value.

If the total indebtedness, including interest due and accrued, will equal or exceed the Cash Surrender Value plus the cash value of any dividend additions, the contract will be terminated. Notice of the premiums required to keep this contract in force will be mailed to you, and any assignee of record, at the address last known to us. You will have 30 days after the date of notice, or, if longer, the balance of the grace period, during which the contract will remain in force. If the required premium is not received at our Home Office, this contract will terminate.

## **SECTION 13 BENEFICIARY**

### **13.1 Designated Beneficiary**

The beneficiary is the person or persons to whom the Insurance Proceeds are payable upon the death of the Insured. You may name a contingent beneficiary to become the beneficiary if all the beneficiaries die while the Insured is alive. If no beneficiary or contingent beneficiary is named, or if none is alive when an Insured dies, the owner (or the owner's estate) will be the beneficiary.

If more than one beneficiary is alive when the Insured dies, we will pay them in equal shares, unless you have chosen otherwise.

### **13.2 Change of Beneficiary**

While the Insured is alive, you may change any beneficiary by Written Notice to us unless the beneficiary has been made irrevocable. Changes in the beneficiary, unless otherwise specified by the owner, will take effect on the date the notice of change is signed by the owner. No change is binding on us until it is recorded at our Home Office. Once recorded, the change binds us as of the date you signed it. The change will not apply to any payment made by us before we recorded your request.

## **SECTION 14 DIVIDENDS**

### **14.1 Dividends**

Each year we will determine our divisible surplus. This Contract's share, if any, will be credited as a dividend on the Contract Anniversary. Since we do not expect this Contract to contribute to divisible surplus, it is not expected that any dividends will be credited.

### **14.2 Dividend Options**

You may choose to apply dividends under any of the options listed below. Dividends will be applied under the Payment of Premium option unless a different option has been chosen in writing.

**Cash.** Dividends are paid in cash

**Payment of Premium.** Dividends are applied as payment of a Net Premium.

## **SECTION 15 OPTIONAL PAYOUT PLANS**

### **15.1 Optional Payout Plans**

At the time of their commencement, any benefits provided under this contract will not be less than those provided by the application of the Cash Surrender Value to purchase a single consideration immediate annuity contract at purchase rates offered by us at the time to the same class of annuitants.

If no optional payment plan is selected, any benefits provided by this contract will be paid in cash.

The optional payout plans available to the Beneficiary upon death of the Insured are:

2010 UL FLX AR

- A. **Interest Deposit Account**— The allocated Insurance Proceeds will be held by us in an Interest Deposit Account and will earn interest annually at rates that we determine from time to time, but never less than one and one half percent (1.5%). The interest may be paid periodically or left to accumulate. The payee may withdraw all or part of the account at any time.
- B. **Payments For a Guaranteed Period**-- We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest are fully paid over a guaranteed period that may be selected. The guaranteed period must be at least five (5) years. We reserve the right to set a maximum limit. The payee may not withdraw any of the account at any time.
- C. **Payments Based on a Single Life**
- 1) **Life Only Annuity**--We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the payee's life expectancy. We will pay that amount as long as the payee is alive. We will make no further payments after the payee's death. The payee may not withdraw any of the account at any time.
  - 2) **Life Annuity With Period Certain** – We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the payee's life expectancy and the probability that the payee would not survive a certain period that may be selected. The certain period must be either ten (10) or twenty (20) years. If the payee dies during the certain period, we will pay the present value of the remaining certain-period payments to the payout plan beneficiary pursuant to his or her election of a lump sum or an eligible payout plan. To be eligible, the payout plan must pay out at least as rapidly as the plan in effect when the payee died. If the payout plan beneficiary does not make such an election, we will pay the annuity proceeds in a lump sum. If the payee survives beyond the selected period, we will continue making the periodic payments until the payee's death. The payee may not withdraw any of the account at any time.
- D. **Joint and Survivor Lifetime Payments** ---We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the life expectancies of two (2) payees. We will pay that amount as long as one or both payees are living. Neither beneficiary may withdraw any of the account at any time.
- E. **Other Plans**--Other periodic plans may be arranged with us.

## 15.2 Minimum Payment Guarantee

The amount of the periodic payment under paragraphs B through E above will be determined by a single interest rate that we will declare when the plan takes effect and which will be at least one and one half percent (1.5%). Payments that depend on one or more lives will also be determined by a mortality table that we will declare when the plan takes effect and which will be at least as favorable to the beneficiary as the Annuity 2000 Mortality tables, split by sex.

Tables 1, 2 and 3 in Section 15.5 show the minimum guaranteed payments for each plan under paragraphs B, C and D, respectively, under certain stated assumptions.

## 15.3 Who May Choose An Optional Payout Plan

A choice of a payout plan for Insurance Proceeds may be made by you while the Insured is still alive. If no selection is made, the beneficiary shall have the right to select the plan. All choices of payout plans will take effect when recorded by us. When a payout plan starts we will issue a contract which will describe the terms of the plan. We may require that you send us this Certificate.

If the payee is not a natural person, the choice of a payout plan will be subject to our approval. An assignment will modify a prior choice of payout plan. The amount due the assignee will be payable in

one sum and the balance will be applied under the plan. We will not accept assignments of payout plans for the benefit of creditors.

#### 15.4 Frequency of Payments

Monthly, quarterly, semi-annual or annual payments may be selected, subject to our administrative minimums.

#### 15.5 Payout Plan Guaranteed Payments

The monthly amounts shown are for each \$1,000 applied. To change monthly payments to quarterly, semi-annual or annual payments, multiply the monthly amount by 3.00; 6.02; or 12.08, respectively. Actual payments may be more than these guaranteed amounts. The tables below assume that no cash withdrawals are made; only the minimum guaranteed interest of one and one half percent (1.5%) is paid, and payments are made at the end of the payment mode selected. Tables 2 and 3 are based on the Annuity 2000 Mortality tables, split by sex.
